

SENIOR RESEARCH ANALYST – GLOBAL INVESTMENT FUNDS

New York Office

Strategic Insight (SI), www.sionline.com, an Asset International company, has an opening for a highly qualified senior analyst to focus on the global investment funds industry. Work with SI teams in New York, London, Hong Kong, and Melbourne to create high quality research in a well-established and growing firm with over 25 years of history and more than 250 client organizations worldwide. Asset International, www.assetinternational.com, is a B2B global information and technology company in the finance vertical; it features a diverse set of revenue streams: electronic data, tools, online media, research, and events.

RESPONSIBILITIES:

Responsibilities include research, writing, producing thought leadership, presentations and consulting with clients, and helping to expand our international research and consulting business. Specifically:

- Conduct in-depth research on investment product, marketing, distribution, and business trends in the funds industry
- Write high quality reports focusing on European, Asian, Australian, and Latin American fund developments
- Discuss findings and give presentations internally and externally
- Collaborate with colleagues to identify and develop research themes, edit reports, conduct presentations and webcasts
- Assist on and lead various research and consulting projects
- Expand our comprehensive fund industry database, information, and technology solutions
- Support senior management and team in preparing and delivering presentations for clients and prospects

REQUIREMENTS:

- Proven research, analytical, writing, editorial, and communication skills
- Advanced abilities to work with information tools and turn data into knowledge
- Ability to work independently, collaborate in teams, and deal with clients at a high level
- Bachelor's degree with honors and high achievement; Masters or higher degree in an analytical field helpful
- Fund or investment industry experience and knowledge preferred

Interested applicants should email a cover letter, resume and salary requirements/history to: careers@assetinternational.com.

Asset International Inc. is an equal opportunity employer committed to workplace diversity.

This job description in no way states or implies that these are the only duties to be performed by the employee(s) incumbent in this position. Employee(s) will be required to follow any other job related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments
